LUMBER YARD

STRONG AND DURABLE

Lumber yards are high-traffic outdoor areas where products are heavy and bulky and the risk of impact is high. Our highly resistant lumber yard product line is designed to withstand these extreme conditions and more.

Resistant, practical, stylish, easy to clean, custom built...our counters and displays have it all. Trust us with your idea. We'll build it together.

COUNTERS + DISPLAYS

SEASONAL
+ LIGHTING

INVITING AND VERSATILE

Choose from our wide selection of standard products for your seasonal and lighting departments, or have us custom build displays according to your needs and specifications.

PLUMBING + TOOLS

STURDY AND ADAPTABLE

Heavy-duty products require heavy-duty fixtures. That's exactly what our customised solutions for plumbing and hardware tools offer. Custom-made or standard, the possibilities are almost endless.

TESTIMONIAL

We are happy to partner with Etalex because they understand our industry and store requirements. The Etalex staff know how to recognize our challenges and support us with expertise and professionalism, but more importantly they know how to develop affordable and effective solutions in collaboration with us.

Laurie Wittie
Store Design Manager – Home Hardware Stores Limited

Our large production capacity, combined with our wide range of products, allow us to meet the specific and varied needs of our clients in hardware stores and renovation centers.

From fixtures and pallet racks in the heart of the store, to counters and custom-designed displays, we have the expertise to offer large-scale and personalized solutions.
